• FOREWORD

"There is a school we love in Dixie Land, 'Tis Greenville High for which we take our stand."

Remember the first time we claimed GHS as "ours"—the first chance we had to prove our "loyalty" to her—how proud we were to "stand up" for her? Yes, GHS has given us many of the happiest and long to be remembered days of our lives.

"There we are taught to fill in life a place, There learn to do, to dare, to run the race."

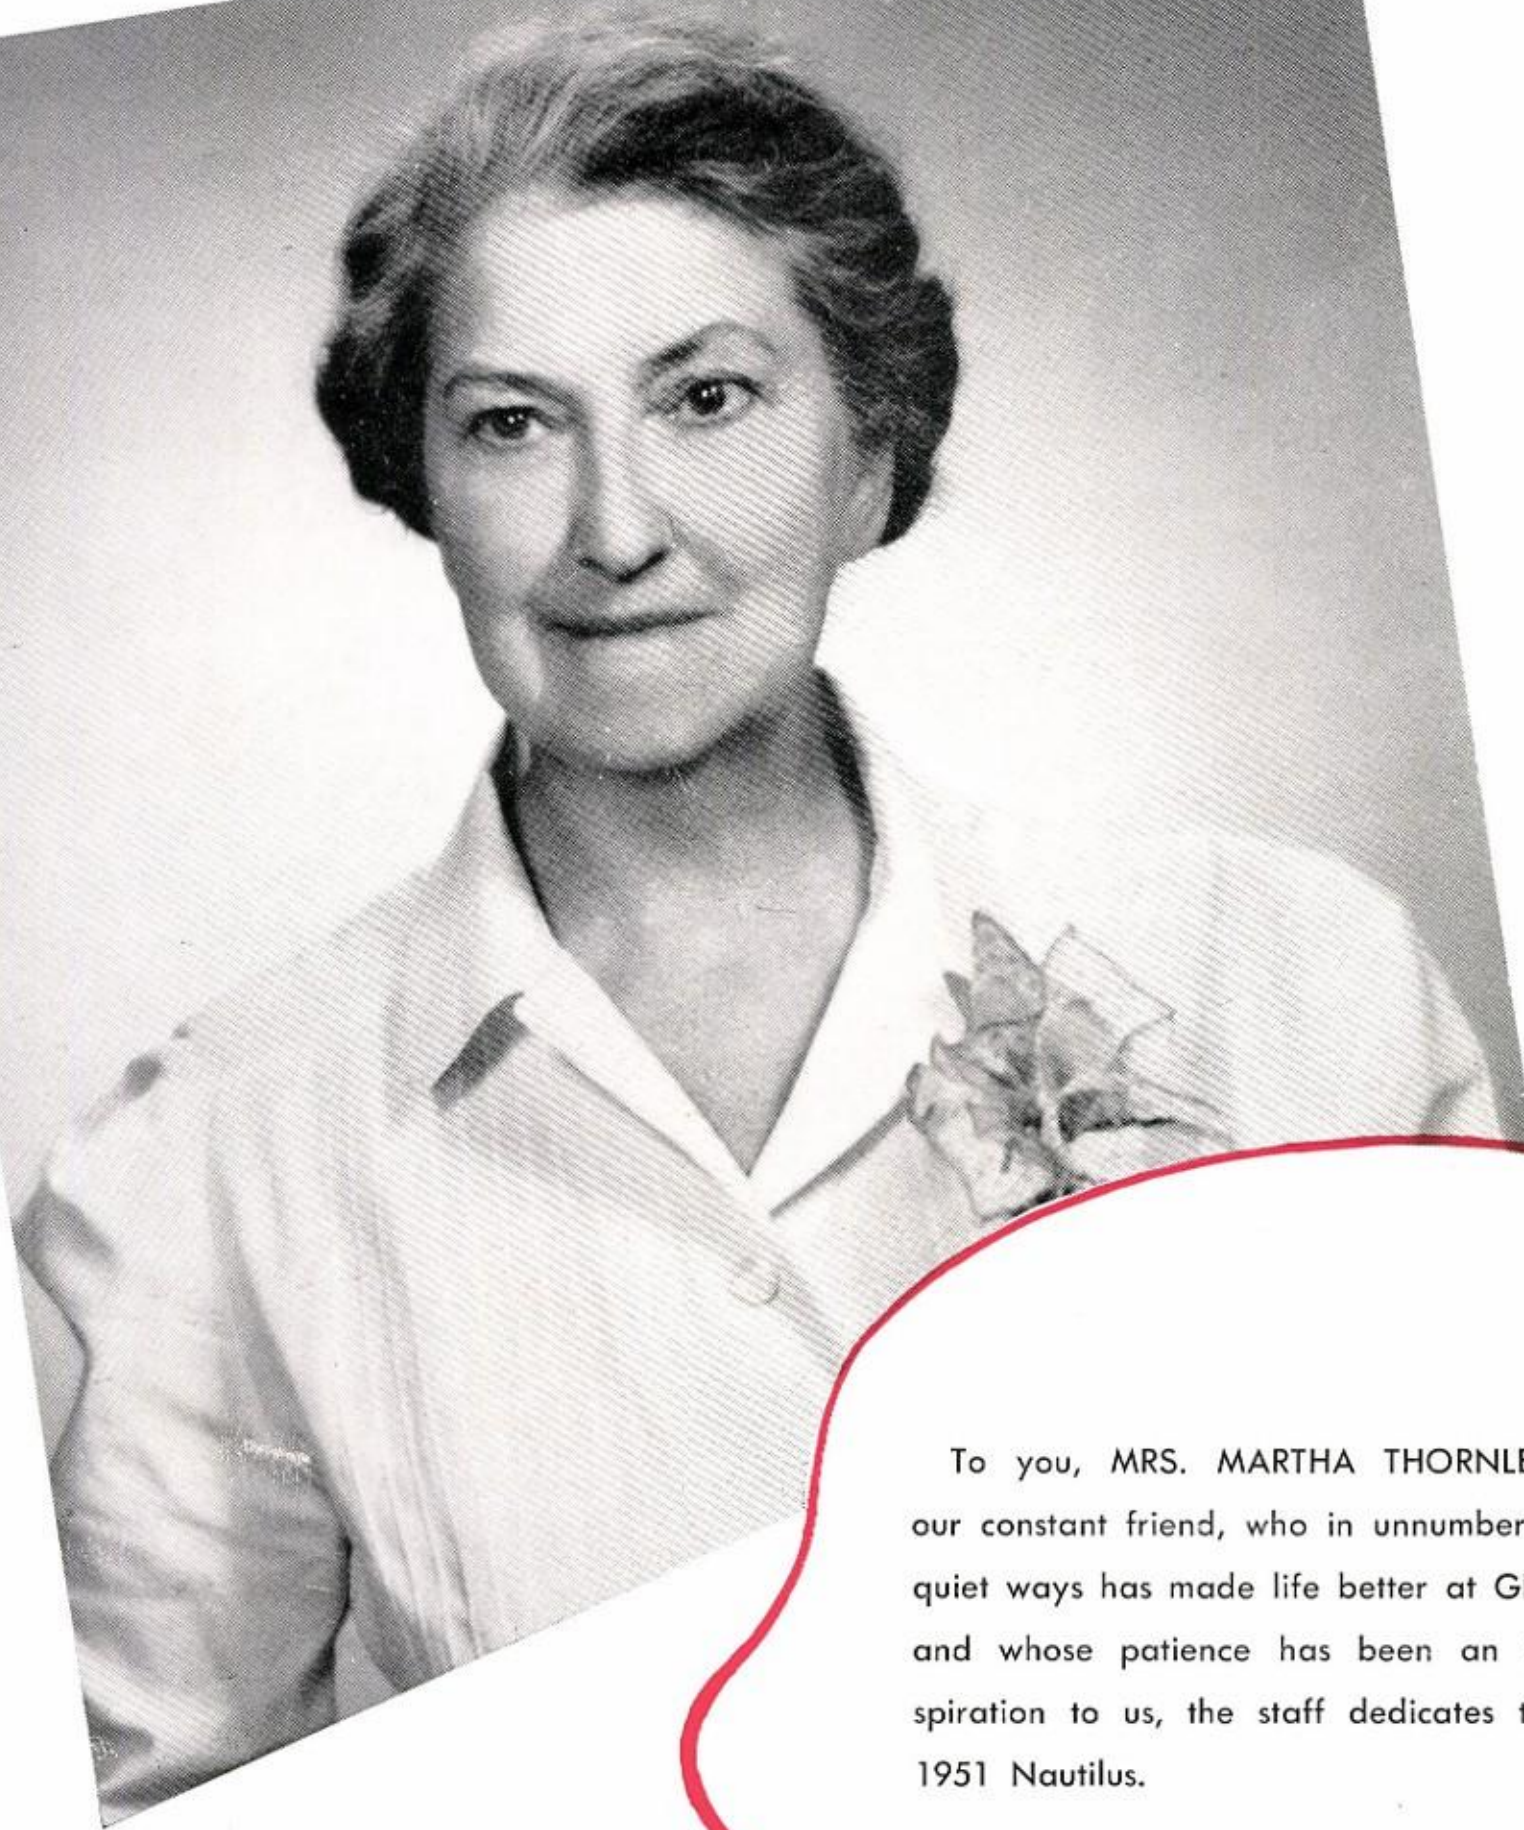

Remember the fun we had at pep-meetings, ball games, parties—how we slaved over "our" essays, stayed up late to get "our" parallel in on time, complained about "our" homework, but really deep down enjoyed it—the excitement of elections, the anxiousness of each student to see *HIGH NEWS* on Friday, the unrelenting tension that builds up in awaiting the *NAUTILUS*, and finally commencement?

"Though we may wander far, whate'er our lot, we'll ever keep the lessons you have taught."

And the friendships that have been "ours" will remain with us the sweetest memories of "our" high school days.

As we stand for the last time to sing "our" Alma Mater with mingled joy and sadness, "Our hearts will turn to thee in tenderness, And pray God bless you, dear old GHS."

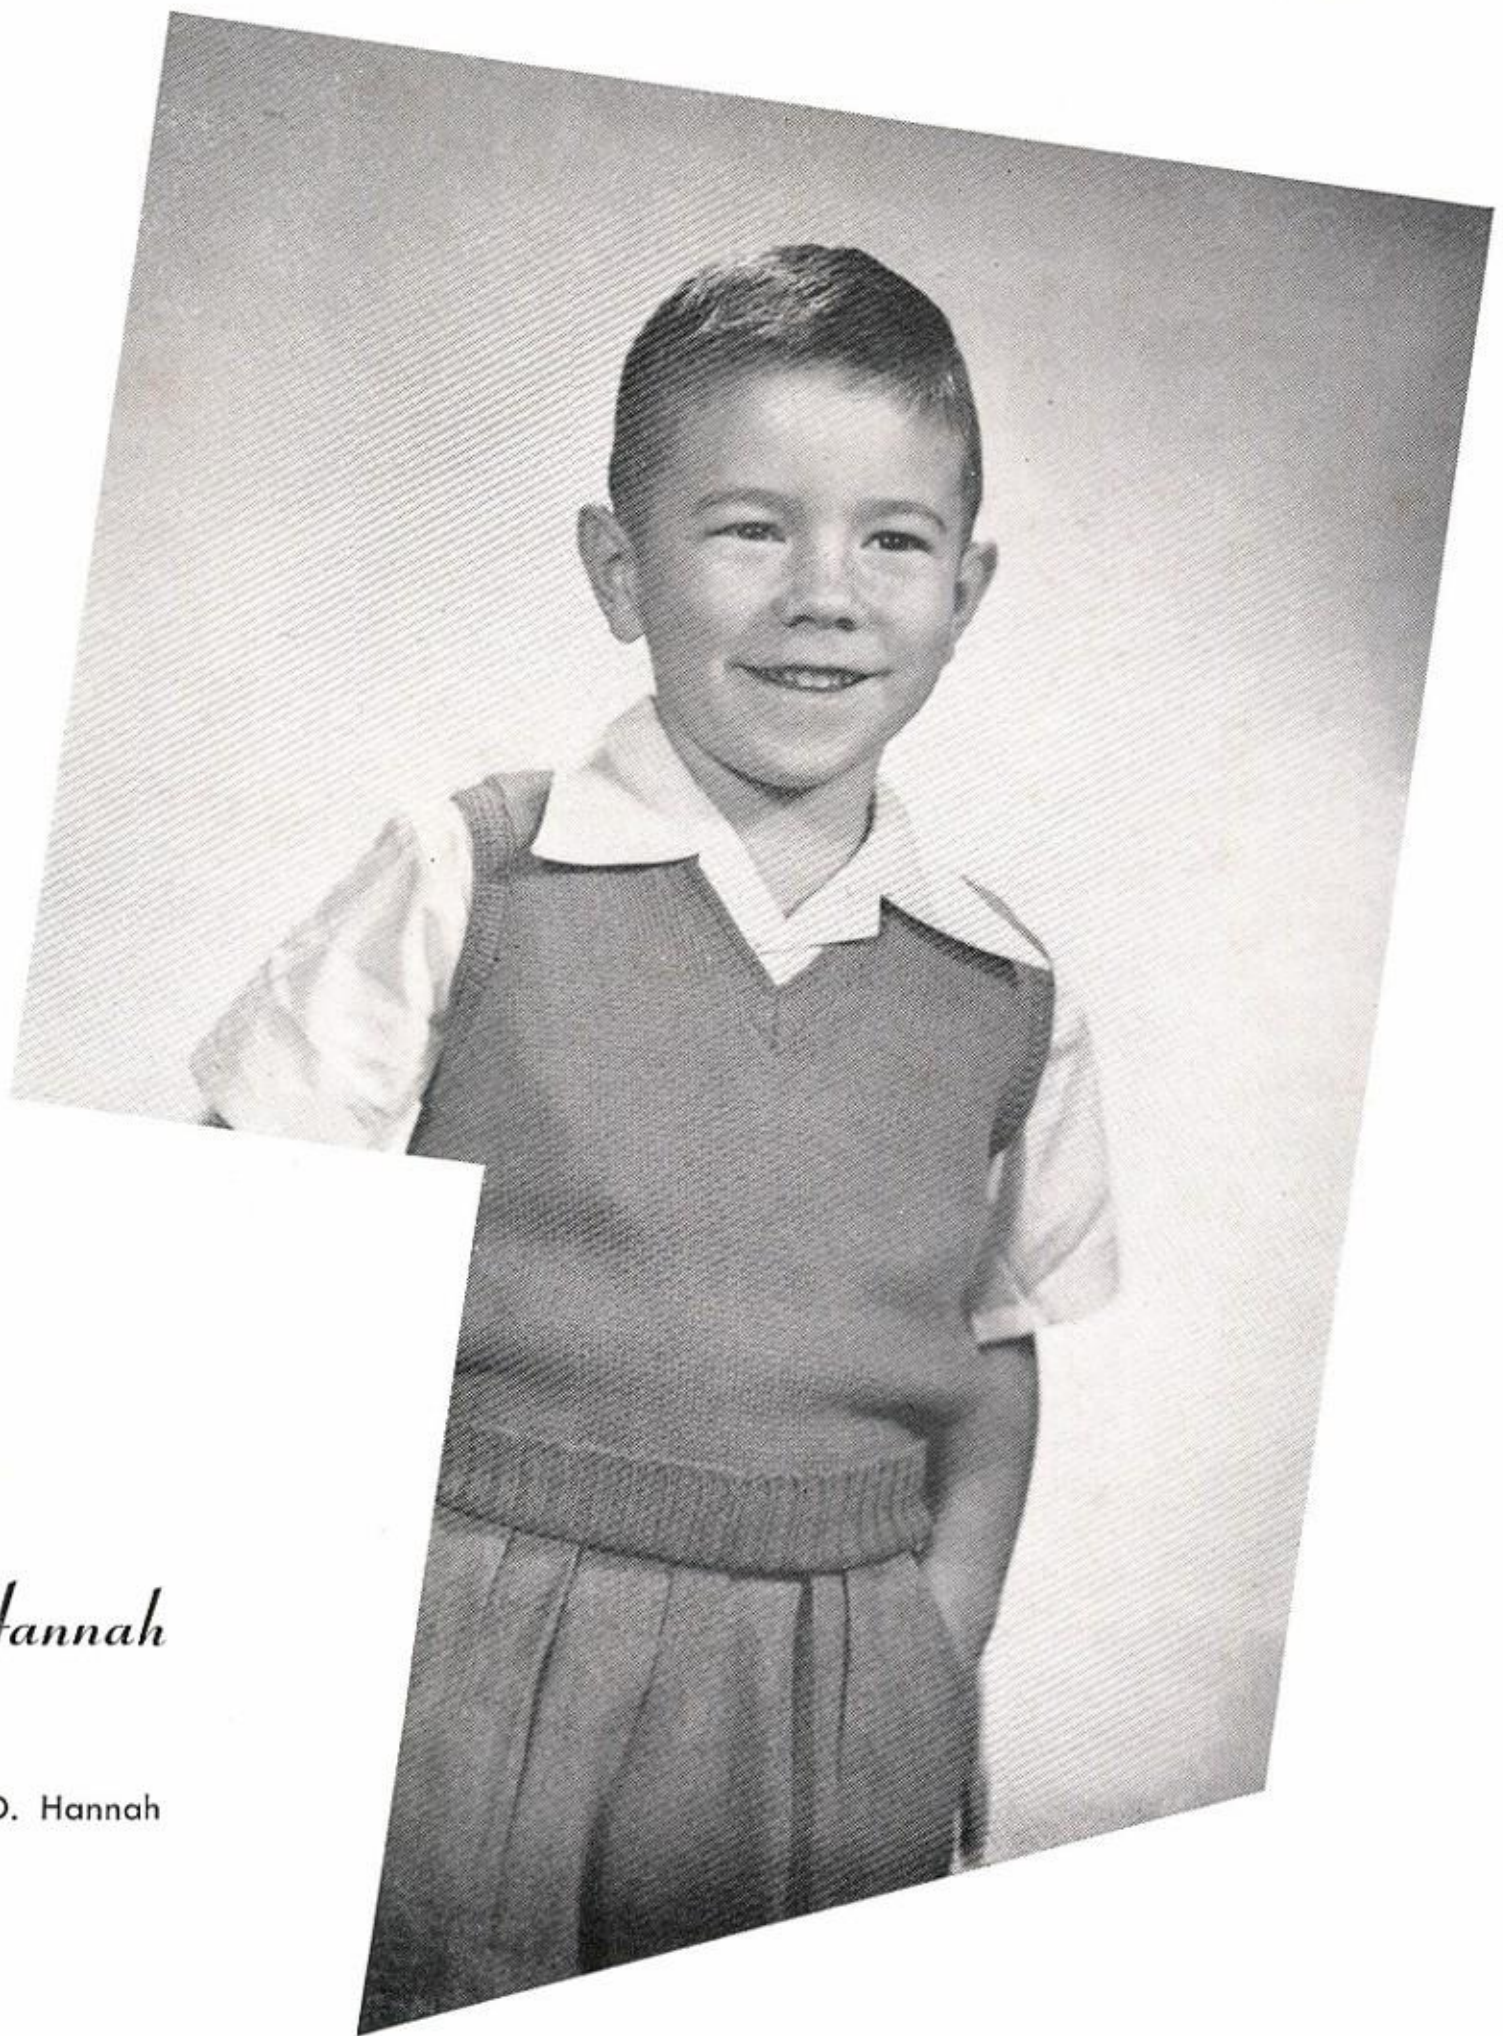

Using the school song as a theme, the Nautilus staff has tried to preserve for you the year filled with people who studied and played and would do it again at the "school on the hill."

To you, MRS. MARTHA THORNLEY, our constant friend, who in unnumbered quiet ways has made life better at GHS and whose patience has been an inspiration to us, the staff dedicates the 1951 Nautilus.

RELYING on a heavy forward wall and a speedy backfield, the Greenville High Red Raiders entered the first game of the season with high hopes, only to be defeated by a hard-fighting Asheville High eleven.

EASLEY High's Green Wave was the first victim to fall before the mighty Mooremen in the initial home game of the season.

DOWNING Olympia, Gaffney, and Charleston, the Raiders added three wins to their slate while they tied Orangeburg and lost a tough 14-0 decision to Anderson and a heartbreaker to Spartanburg by a missed conversion.

SPIRIT high for the homecoming game, fans saw the Rock Hill Indians topple the Red and White with a fast, hard-running backfield. In the Turkey Day classic, the game of the year, the Red Raiders fell before the Parker High Golden Tornado.

BASKET

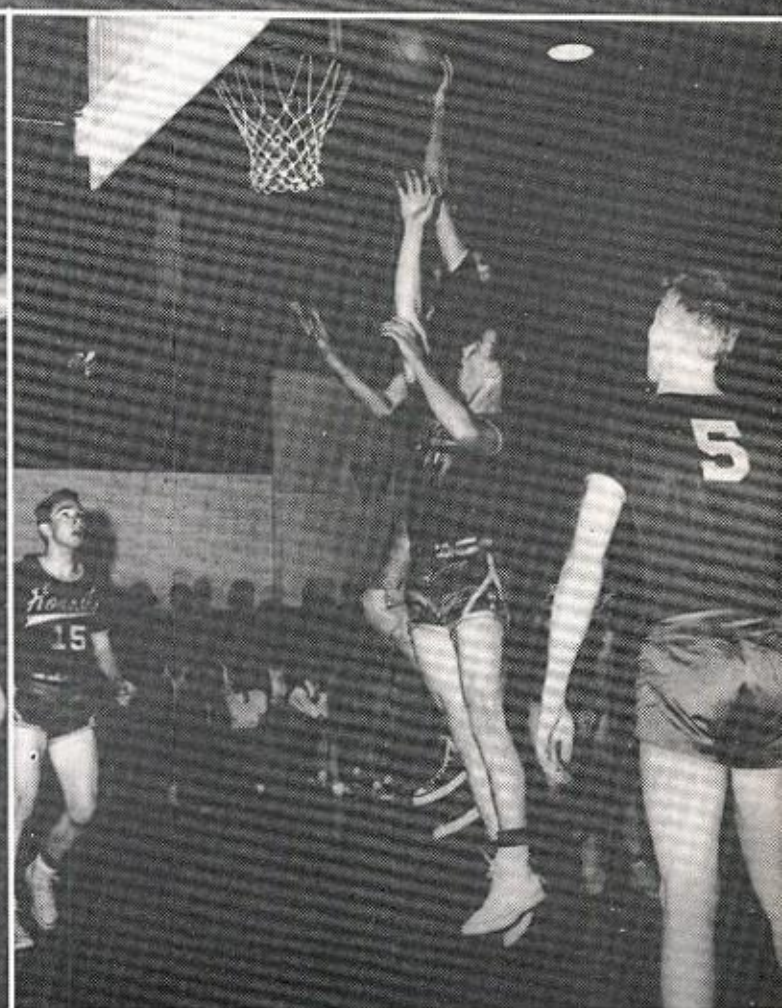

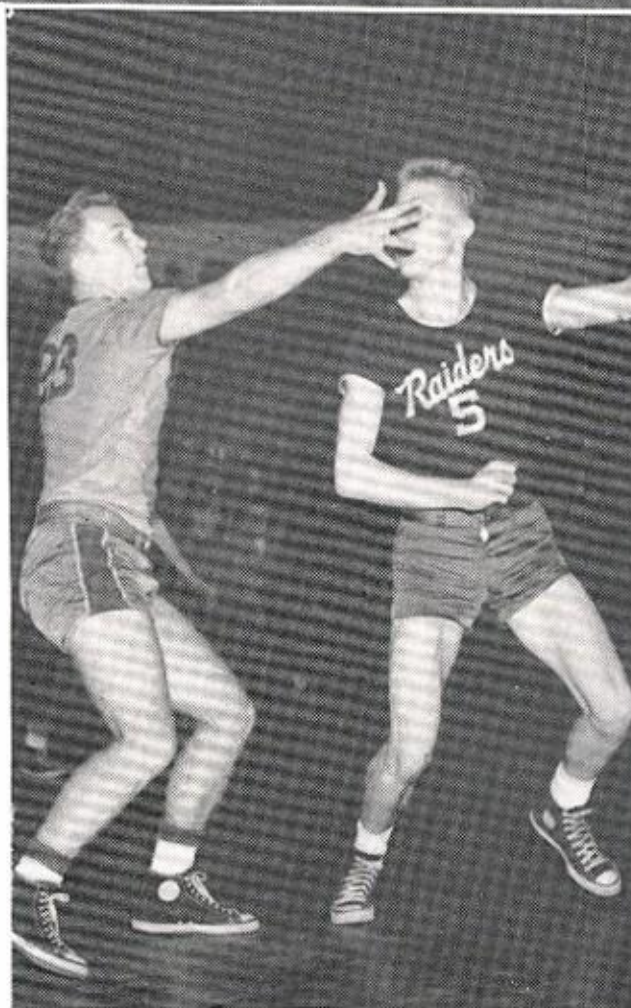

The Greenville High Red Electrics, having one of the most successful basketball seasons in many years, rolled through the 1950-'51 season with only one defeat to mar an almost perfect slate. Their loss was to University High of Columbia by

a one point margin.

In addition to placing two men on the All-County first string and copping the state championship, the Electrics defeated Parker both times, a feat that had not been accomplished in years.

Dear Miss O'Neal:

I wish to express my thanks to you and the students of Greenville High School for extending to me the honor of selecting your beauty queens. I was very happy to do this for my friends in Greenville, and I hope that sometime in the future you will ask me again.

I would like to say that it was no easy job. I wish to congratulate the winners--1,3,6 in Jr. group; 1,3 in Sr. group; 2,5 in Soph. group;--and all the other candidates on being such charming young ladies. I wish I could have chosen every one, but after all, I was merely obeying orders from you and your staff!

Sincerely,

A fund of items that gives you the NEWS—to keep you posted on the ways of the world, your country, your neighborhood. To give you INFORMATION—a guide towards success, amusement, happiness—ADVERTISEMENTS to tell you what and where to buy.

And we hope that we may continue to be a part of your daily life, in whatever occupation you may choose, a source of INFORMATION—NEWS and FACTS to make living more pleasant and profitable for YOU.

LUCILE SMITH

The musical score is written for three parts: Treble, Alto, and Bass. It features a key signature of one flat (B-flat) and a 4/4 time signature. The melody is primarily in the Treble part, with the Alto and Bass parts providing harmonic support. The lyrics are written below the Treble part, with some words appearing in the Alto and Bass parts as well. The score is divided into four systems, each with three staves. The lyrics are as follows:

There is a school we love in Dixie
Truiness and pu-ri-ty our colors land,
'Tis Green ville High for
Red as the crim-son
which we take our stand.
and white as the snow,
There we Loy-al are taught
to our to mot- fill
in life a place,
may + we e'er be,
There learn to do,
On-ly through to dare, to run
the race,
be free.

*"Though we may wander far, whate'er our lot,
We'll ever keep the lessons you have taught.
Our hearts will turn to thee in tenderness,
And pray God bless you, dear old GHS."*

But,
 You are one
 all-round girl, filled
 with pep, gum, and personality.
 Stay that way.

I sincerely wish you the

you trust in God, He will
give you the best.
